

## STORY TELLING WORKSHOP

A story telling session was organized in the school. Classes IV & V participated in the work shop with Mr. Ramendra Kumar, author of 15 books and editor of [www.Bolokids.com](http://www.Bolokids.com), on Thursday 11<sup>th</sup> of September. The session started off with a brief introduction of Mr. Kumar and his work. Mr. Kumar then told a wonderful story about a vain Tiger an Elephant and a Lemur. The children were captivated by his expertise story telling skills and laughed out loud when they were told to yell “SHAKE, SHAKE, SHAKE” during the interactive story. It was a magical experience that we are sure they will remember for years to come. After completion of the story the students were given 35 minutes to write a story of their own and at random given the chance to read it to the rest of the large group. Each student was then invited to email their story to Mr. Kumar who will post them on his website Bolokids.com.
